ISCM-3 2027

3rd International Symposium on Carbon Materials
10th Taiwan Carbon Conference

Kaohsiung, Taiwan | Jan 18~22, 2027

VENUE International Research Building (IR), National Sun Yat-sen University

CONFERENCE THEME

Carbon for Sustainability

THEMATIC GROUPS

- Carbon Materials for Energy
- Carbon Materials for Sustainability
- Diverse Carbon Allotropes and Architectures
- Bio-functional Carbon Materials

PROGRAM HIGHLIGHTS

- Meet the Editors / Poster Sessions
- Student Oral Presentation Competition

IMPORTANT DATES

Short Abstract Submission Deadline
November 10, 2026
Late abstracts? Contact the organizers.

Confirmation of Acceptance
November 17, 2026

Early-Bird Registration Deadline
November 24, 2026

SPECIAL ISSUE

JTICE
Journal of the Taiwan Institute of Chemical Engineers

JCCS
Journal of the Chinese Chemical Society

PLENARY SPEAKERS

Dongling Ma
Institut national de la recherche scientifique (INRS), Canada

Xing Yi Ling
Nanyang Technological University, Singapore

Jin Zhong Zhang
University of California, Santa Cruz, USA

Hao Ming Chen
National Taiwan University, Taiwan

Shinichi Komaba
Tokyo University of Science, Japan

Yun Hang Hu
Michigan Technological University, USA

CONFERENCE DATES

January 18–22, 2027
